12 DAYS OF ARIES

Are you ready to unlock the secrets of the stars and navigate the cosmic currents of your destiny? Join us on the “12 days of Joy workshop” which are the first 12 days of Aries where the ancient wisdom of the skies meets modern-day insights.

The first 12 days of Aries hold significant importance. Each day corresponds to and influences each of the 12 months of the year. For instance, the first day of Aries represents the month of Aries, while the second day represents the month of Taurus, and so on. This period represents a rare opportunity in time to shape one's destiny, as actions and reactions during these days can greatly determine the experiences of the upcoming year.

This is the time for proactive behaviour to overcome your personal challenges that hinders your ability to enjoy the life that you want.

Each day presents unique challenges and opportunities for growth, encouraging individuals to step out of their comfort zones and embrace change. It's a period of testing oneself and achieving transformation to reach a higher spiritual vibration. The way one responds to these tests affects how the year will unfold. Engaging in self-reflection, meditation, and setting intentions during these days can be particularly powerful for personal development.

THE 12 DAYS OUTLINE:

Day 1 - Aries

- **Internal**

Reflect on a past situation where you reacted with anger. Imagine how you could have been more proactive and changed the outcome

- **External**

Ask for help in an area where you believe you already know the answer. Engage in a youthful activity, like swinging in a park.

In the workshop you will learn tools to transform anger into constructive energy

Day 2 - Taurus

- **Internal**

Contemplate your values and how they guide your decisions.

- **External**

Offer a genuine compliment to someone about a quality you admire in them.

In the workshop you will learn how to follow up on a decision that you have made.

Day 3 - Gemini

- **Internal**

Think about how you communicate with others and how you can improve your listening skills.
